I have no idea how to do this

Thank you for reading

I got it. I'll look around to find something I can use to break through the wall. There's something I see that just might do the trick. Well, here goes, nothing to lose.

### Chapter 8 by A\_Merry\_Kat

I pause-

Is that singing?..

Erie and soft, feminine and somehow disturbing...

**"The company of my own voice,  
The warmth of my own skin,  
No one to stop the loneliness from slowly creeping in,  
It's like cold fingers wrap around my empty little heart,  
Just enough to snap the two small halves apart~"**

As I listened to the song, I felt my energy drain. The female voice faded away... nothing more than sounds. I started to crumple against the wall... my head was hurting from an unseen pressure, my body felt heavy and cold.

What could I do...

To stop the loneliness...

From slowly ... creeping... in..?

**the end**
